DETAILED ACTION

Allowable Subject Matter

1. Appellant's appeal brief filed on 6/30/05 have been fully considered and are persuasive.

2. The following is an examiner's statement of reasons for allowance:

As per independent claims 1, 9, 18, 23, 28, appellant's claimed invention is deemed allowable over the prior art of record as the prior art, alone or combination, fails to teach or suggest generate one or more alternate control signals for selecting bus mastering when a conflict is determined to exist in combination with other limitations as recited in independent claims and further in view of the specification and appellant's persuasive arguments.

As per independent claims 8, 17, 27, appellant's claimed invention is deemed allowable over the prior art of record as the prior art, alone or combination, fails to teach or suggest generate a switch signal and a select signal when a conflict is determined to exist in combination with other limitations as recited in independent claims and further in view of the specification and appellant's persuasive arguments.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
